**simple,  
quick,  
accurate**

MyBrado is a handy tool that gives you access to a vast amount of information from anywhere in the world, 24/7.

The latest Brado **price list**, with images of each product. **Current offers**, to take advantage of in real time. Easy correspondence with your **business contacts** at Brado. The option to view your **orders** and detailed tracking information.

**goes  
with you  
everywhere**

You can activate the service in just a few simple steps.

Request access by sending an email to [my@brado.it](mailto:my@brado.it) or follow the instructions to create your own account at [my.brado.it](https://my.brado.it).

In no time at all, a series of benefits will appear before your eyes, available on all your devices.

**Supervisor access**

**providing  
a constant  
stream of new  
functions**

Nor will these benefits be limited to the extremely useful services available today; MyBrado is constantly being updated, expanded and improved.

This fits with the company's philosophy, which aims to **simplify processes** for clients at all levels (production, business and logistics) and focus on their needs.

## **for convenience and freedom**

MyBrado expands your options, allowing you to **interact with the company** outside traditional channels.

You can receive all the information you need, read news as soon as it is released and place and track orders from your account.

Just like visiting us in person, directly in touch with your trusted contacts.

**→ enter  
the MyBrado  
world today.**

Experience the potential of this tool, designed to match our operations with your needs, 24/7.

A **secure point of reference**, which is always available and provides you with quick answers. Ideal for working together with us today. And, because we are constantly adding new features, even more in the future.
